

Portable Racks

Store your equipment
and move it anywhere!

FEATURES

- Weight capacity of 500 pounds.
- Fully welded 16-gauge steel construction and 1/8"-thick, laser-cut corner braces for maximum strength.
- Front and rear doors lock for security.
- Include laser-cut openings for smooth cable management.
- Have 4" locking casters and spring-loaded recessed side handles for easy mobility.
- Equipment mounting is a snap with front-adjustable 11-gauge, 10-32 threaded rails and numbered rack spaces.
- Choose the standard black laminate top or the marbled graphite laminate top and PLEXIGLAS® front door.
