

CPU Security Cabinets • CPU Mobile Security Cabinets

Keep CPUs away
 from prying fingers.

FEATURES

- » Safely store your CPU.
- » Lock down your computer's CPU, preventing access to the computer's CD and disk drives.
- » Plenty of vents to prevent heat buildup.
- » Cable grommets organize loose cables.
- » Slide-out tray for easy access to the CPU.
- » Choose from models with or without casters.
- » RM192A-R2 and RM194A-R2-R2–RM197A-R2 have an area to mount a 4-inch fan for additional cooling.
- » Include a three-point lock.
