

Termination Desk

Convenient tools mean
faster terminations!

FEATURES

- Safely stores and protects your fiber and UTP termination tools.
- The Termination Desk is a tool case, work surface, and a rackmountable workstation all in one.
- Supports up to 120 pounds (54.4 kg).
- Provides nearly 200 inches (508 cm) of work space.
- Mounts easily to both 19" and 23" (48.3- and 58.4-cm) racks.

OVERVIEW

The BLACK BOX® Termination Desk is a tool case, work surface, and rackmountable workstation all rolled into one! And when you have your tools and a convenient work surface close at hand, you get those terminations done up to six times faster.

The drawer in the Termination Desk features adjustable foam cubes that are easily customized to hold and protect your favorite tools. Use the top of the case as a sturdy work surface.

With sturdy locking straps to keep the drawer in place for transport, the Termination Desk makes a terrific carrying case. Or you can rackmount it. Adjustable rackmount rails fit most common rack sizes.

Now that's a versatile solution!
