

Manual Shipping and Distribution

Title: PremNet Token Ring I/O Module Manuals Shipped Separately

Part/Document Number: PND850056-35/A

Date: November 1997

This PremNet product is not packaged with a manual. Instead, the manual is shipped with the chassis. This protects you from receiving large quantities of unwanted manuals at a single location.

If you do not have the current manual or the quantity of manuals you require, call **1-800-333-4143 (press 2 - Customer Orders/Equipment delivery)**. Your manuals will be shipped promptly.

Current Manual for PremNet Token Ring I/O Module: PND850056-1/A
